Before Reading 3–5 minutes

BUILD BACKGROUND: Ask: *What do you know about Daniel Boone?* If necessary, explain that Daniel Boone was a famous pioneer who explored and settled parts of what would later become the United States.

PREVIEW THE BOOK: Show the child the covers of the book, and read the title. Ask: *When do you think this story takes place?* Open the book to the table of contents and read the chapter titles. Ask: *What do you think might happen in this story?* Have the child look at the illustrations in the book to revise or confirm his/her predictions about the story.

Find a word in bold in the text, for example, *teeming* on page 7, and show the child how to find it in the glossary.

During Reading 10–15 minutes

Ask the child to read pages 4–15 aloud. If the child has difficulty, read the pages together. Then ask the child to read them independently. Have the child work out unfamiliar words by looking at the letters and word parts. Tell the child to think what word makes sense in the sentence. If the child cannot work out the word, tell him/her. Have the child reread the sentence with the word and then continue reading.

After Reading 10–15 minutes

RETELL: Ask the child what he/she learned about Daniel Boone from reading pages 4–15. If necessary, prompt by asking: *What else did you learn?*

GRAPHIC ORGANIZER: Have the child use the book to find the main ideas and details for each chapter read on pages 4–15. Have him/her record the information on the chart.

CRITICAL THINKING: Ask the child if he/she would like to have lived during the time the territories were being explored, and to explain why or why not.

VOCABULARY GAME: Review each of the prefixes and their meanings with the child. (*dis*: not or opposite; *re*: again; *un*: not or opposite) Spread the prefix game cards face up on one side of the table, game cards with words on the other side. Ask the child to turn over a word card and a prefix card. If the cards make a word, the child keeps the cards. If not, the child turns the cards over. It is now your turn.

Home Connection

Have the child finish reading the book at home. Have him/her complete the graphic organizer after reading the book.
